A final thought about Media Literacy . .

Any idiot can have a website.

Suspect a site on which the donate button is prominent.

Learn how to source information.

Always ask who says so and why are they saying it and how do they know.

Learn how facts works

Know the difference between fact and opinion. Not all opinions are created equal.

Something can be true without being relevant.

Something can be true without being valid.

Something can be true without being causally linked.

Learn how to check facts.
